Mikki Spagnoli; Past President, MI ACTE

Michael Connet; ACTE

MI ACTE Mission

As a professional association of Career and Technical Education (CTE) professionals, Michigan ACTE is committed to providing leadership in advocacy, professional development, and building an effective CTE Network in the State of Michigan.

Michigan ACTE provides members an opportunity to access professional learning, recognizes exceptional practices through the awards process, and serves as an avenue for CTE stakeholders to come together to participate and contribute in a collective voice for the advancement of high quality CTE programming.

MI ACTE

MI ACTE Serves

- ▶ Individual Members Interested in Promoting Career and Technical Education
- ▶ CTE Professional Organizations and Associations
- ▶ Michigan Office of Career and Technical Education

Member Benefits

- ▶ Resources and Information
- ▶ Advocacy
- ▶ Professional Development
- ▶ Awards
- ▶ Network of Colleagues

CTE Learn

- Online learning platform in partnership with ACTE
- 150+ online courses (fee-based/CEU's)
- Free CTE specific lessons/learning modules
- Opportunity to create/share state specific learning resources

- Do you have teachers on ACA that need additional support?
- Do you have teachers on IDP's that need a way to provide evidence of progress?
- Are you a teacher or administrator that would like a way to receive SCECH's that are aligned to CTE topics?
- Would like resources to support your CTE staff meetings ?

Free Lessons

- Designed specifically for CTE teachers, administrators
- Free of charge/registration required
- Variety of formats (multimedia, webinars, text based)
- Each module is typically 15-20 minutes to complete
- No CEU's; Digital badging is available to document completion
- State specific learning resources can be shared here at no cost

Individual Development Planner (Free)

The screenshot displays the Michigan ACTE Individual Development Planner (IDP) interface. On the left is a navigation menu with the following items: IDP Process, IDP Setup, Goals, Activities, Action Plan, Completed Activities, Accomplished Goals, Documentation, Printing, and Help. The main content area features a blue header with the Michigan ACTE logo and the title "IDP Process". Below the header is a staircase diagram illustrating the seven steps of the IDP process:

- Setup your IDP parameters
- Identify your performance goals
- Plan and schedule activities to meet your goals
- Complete planned activities on your action plan
- Review your completed activities
- Review and verify your accomplished goals
- Document your goals and activities
